POLITICAL WAR.

POPULISTS AND REPUBLICANS HAVE HOT TIMES IN KANSAS.

Republicans Besieged in the Capitol and Troops Called Out.

Topeka, Kansas, February 15—A riot is imminent between the Republicans and Populists in the House. When the Republicans went to the hall this morning they found the doors barred by the Populists. The Republicans resolved to force an entrance. With the aid of sledgehammers the side entrances were soon demolished, and the Republicans filed in. Had the Populists been in session a conflict would have resulted, but they had adjourned the day before until 1 this afternoon. As soon as the Populists learned what had been done, Gov. Lewellen was notified. He promptly called out the militia and instructed them to proceed to the hall and eject the Republicans.

The only weapons shown by the Populists were one Winchester and a couple of revolvers in the hands of mild young men who made no attempt to use them. They were captured by the Republicans and will be preserved as trophies. This morning the Santa Fe train from Atchison and other places brought 75 Republicans to act as Sergeants-at-arms and are expected to bring additional reinforcements. The Republicans, anticipating trouble, telegraphed for help last night. Some of the messages were late in being delivered, but the recipients got out of bed at midnight to respond to the call.

The Republican House passed a resolution reviewing the situation and calling on all citizens of Kansas for "moral aid and active support to help resist the forces of anarchy and revolution."

The Governor has ordered out four companies of infantry and two batteries of artillery, and 25 men, chiefly farmers, have been taken to the arsenal, uniformed and armed and sent to the Capitol grounds. The Oakland company has also arrived and taken position on the grounds.

THIRD DISPATCH.

The Republicans have nailed, barred and propped every door leading to the hall. The Populists have decided to freeze the Republicans out. The janitor has shut off steam from the hall. The Populists have also undertaken to starve out the Republicans. Men sent for lunch for them can't get past the militia lines. The House is therefore in a state of siege.

A militia company has been stationed near the arsenal with guards posted. Two cannon have been run out of the arsenal and loaded with shot, and everything looks decidedly warlike. The militia have full control of the situation and every move of the Populist House depends upon the Governor.

Colonel Hughes of the Third Regiment, a Republican, has been relieved from duty because he refused to obey the Adjutant General.

Senator and Mrs. M. D. Foley gave a delightful dinner last evening to a number of the legislative party. The guests present were Mrs. O'ney, Miss Rickey, Miss Lida Russell, Miss Bidwell and Miss Van Derlieth of Carson, and Mrs. W. E. Griffin, Miss Rives and Miss Manning of Reno, Col. E. D. Boyle, E. D. Van Derlieth, Archie McDonald and Hon. T. B. Rickey of Carson.—Gazette.
